MRS. RUTH LAMPHIER

## *We Honor*

Mrs. Ruth Lamphier, a teacher of Senior High School English, resides in Canandaigua with her husband, Mr. Francis Lamphier. Their son, Roger, is a student at the University of Rochester, which is Mrs. Lamphier's alma mater.

You, Mrs. Lamphier, have helped us in many ways. During the four years you have been our homeroom teacher, you have strived, with patience and understanding, to guide us toward our individual goals. You have praised our achievements and pointed out our mistakes in an attempt to make us better citizens.

Although you will find few surprises between these covers, we know of no better way to express our appreciation for your help and interest; and so, we, the class of 1959, proudly dedicate this "Sagoyewatha" to you—Mrs. Lamphier.

## Sagoyewatha Staff

OUR ADVISERS

THIS IS OUR EDITOR—Jean Draper

Mrs. Ruth Lamphier, Mary Arnold

Have you got your page done? The last minute question that has sent our "hard-working" staff members scurrying for a typewriter. But it has not been all work; we have had our share of fun along with our problems. We have also learned how to handle responsibility and how to work together. Our advisers, Mrs. Lamphier and Miss Arnold, have patiently helped us across the hurdles.

Here before you is the result. We hope you find as much enjoyment between these covers as we have.

THIS IS OUR BUSINESS MANAGER—Donna Keyes

A friendly smile, a helping hand—the girls in the Health Club are always ready with both; and ably assist Mrs. Macomber in various phases of the school health program. Their works in the clinic office gives them a brief insight into one of the special fields in the Nursing profession—School Nursing.

## Junior Librarians

They meet once a month to learn the fundamentals of the library.

They are headed by President Linda Miller, Vice President Kathy Wunner, and Secretary Barbara Diazio.

## Library Club

Red Jacket endeavors in its first year of eleven man football proved to be resoundingly successful as the Indians established their best record to date capturing sole possession of the championship for the first time in Red Jacket history.

Our boys proved that a school the size of ours could produce a team equal to the task of competing with larger schools, making up for their lack of size with an abundance of spirit and aggressiveness. They proved again that "it's not the size of the dog in the fight but the size of the fight in the dog that counts." Coaches Schaertl, Bonacquisti and Antonio have been well pleased with the continual improvement in attitude, desire, aggressiveness and willingness to work from year to year.

Our graduating seniors will be greatly missed next year but these boys have helped Red Jacket to form a football tradition built upon hard work, aggressiveness and fair play which their replacements will maintain.

## *Basketball*

At the present writing, tension again mounts among students and faculty members as our team, having defeated Savannah in the pre-quarter finals, is about to face Prattsburg in the quarter finals on Friday, March 6, at Alfred. We are optimistic as to the outcome, but win or lose, we are proud of this year's Indians.

Much credit is due to our coach, Mr. Linsner, who insists upon team play, good sportsmanship, clean living, and strict adherence to Eligibility rules.

The best wishes of every one in the school, and of many community fans is extended to Coach Linsner, the members of the team, and the cheerleaders.

## J.V. Basketball

This year's J.V. team won ten of the sixteen games it played. They defeated each of the other teams in the league at least once during the season.

We consider this season a successful one, not only because of the number of victories but also because of the progress made by many of the players in learning the techniques of basketball. Those moving up to the varsity next year are well experienced and should be a credit to the team. We believe the success of the past season was due to hard work in practicing. As the year progressed, the team developed this motto "Sometimes out-scored, but never out-hustled, Sometimes defeated, but always good sports."

## Baseball

Since our book is printed before the baseball season begins, it is impossible to record any statistics relating to this year's team.

Red Jacket traditionally offers stiff competition in this sport, and has repeatedly been featured in the play-offs. Last year we were defeated in the semi-finals with a loss to Bradford. Since there are only two veterans who will not be returning this year, under the direction of Mr. Linsner, we again look forward to a season of victory, and another chance for the league trophy.

## Track

Track, which was started in 1958, gives many boys an opportunity to participate in an inter-scholastic sport. During the past two years, it has grown to great popularity at Red Jacket.

Each year our team, in whole or in part, competes in the County Meet at Geneva, Sectionals in Rochester, and The American Legion Relays in Brighton.

## *Intramurals*

There are eight teams participating in basketball intramurals this year. Under the very capable guidance of Mrs. Mildred Knopf, the girls have had a very enjoyable and successful season.

## *Bowling*

This year we had ten teams participating in Girls' Intramural Bowling. We call ourselves the Red Jacket Central Bowling League and bowl ten weeks under the guidance of our Physical Education Director, Mrs. Knopf and our Student Council adviser, Miss Arnold.

Each year we can see improvement in our annual bowlers as well as in our beginners. Whether we bowl a high average or low average, we have a good time as we develop interest in a wholesome pastime which can carry over into adult living.

## *Junior High Basketball*

With a record of 9 wins, and 4 losses, these Junior High athletes, under the supervision of Mr. Lawrence Bonacquisti, are gaining experience which will be valuable to them as they progress in school. Even more important, is the fact that they play the game for all there is in it, and enjoy the spirit of competition.

We congratulate the cheerleaders for their fine display of school spirit. We know they love it, but we also know that it takes a great deal of their time and effort. No doubt we shall hear more and more from them in the next few years. These girls appreciate the help which was given them by Yvonne Olmstead.

"A little work, a little play  
To keep us going—and so good-day!  
A little fun, to match the sorrow  
Of each day's growing—and so, good-morrow!"
